

SUMMARY

Johnston County Transportation Advisory Committee

December 17, 2009 – 2:00 PM,
Land Use Center - Conference Room
Smithfield, North Carolina

Attendees:

- Scott Walston, NCDOT Planning Branch
- Sarah Ezzell, NCDOT Planning Branch
- Berry Gray, Johnston County
- Rich Cregar, Johnston County TAC
- Daniel VanLiere, Upper Coastal Plain COG
- Keith Brinson, Smithfield Chamber

The Committee reviewed a sample growth rate map to show percentage increase of traffic volume on studied roads. The Committee also reviewed a map of Johnston County showing a few selected roads studied for example purposes.

The Committee reviewed a sample capacity map showing current capacity and 2035 capacity. This map will show deficiencies. There was also discussion and review related to a spreadsheet showing data analysis.

The Committee decided to hold a meeting for Benson/Four Oaks on January 21st and a meeting for Clayton/Archer Lodge/Wilsons Mills/Cleveland on February 18th and Smithfield/Selma/Kenly/Micro/Princeton/Pine Level on February 18th. These meetings will focus on review of the data collected by Sarah and to tweak the results based on special factors.

Next Meeting: Thursday, January 21st and February 18th for subcommittee meetings.
